One of the most annoying coughs is a throat cough, where you have that constant tick-

ling in your throat. It comes on worse at night, keeps you awake, and makes you have that smothered feeling in the chest. Aver's Cherry Pectoral quiets the cough, makes breathing easy, and heals the

lungs. There is no other remedy so surely to be relied on.

There are many substitutes and imitations. Beware of them and of so-called "Genuine Cherry Pectoral." He sure you get AYER'S Cherry Pectoral.
